

## PRESS RELEASE:

Culinary delights, local produce and Christmas shopping!

Sunday 18th November, 11am - 3pm

# Artisan Food Fair

Easton Walled Gardens is well known for its quintessentially English, artisan vibe so what better place to bring together over 20 stalls of the finest local artisan produce? Exhibitors at the Artisan Food Fair on Sunday 18th November will include liqueurs, puddings, pies, chocolate, meat, wines, preserves, cheese, fudge, a brewery and of course Davina's Cakes!

As well as delicious produce and the opportunity to get some Christmas shopping done, the gardens will be open for you to wander at your leisure. The 400-year-old, 12-acre gardens are a relaxing, rural retreat. Fading autumn colours will be giving way to winter hues and the gardens are being prepared for the 2019 season. It's a chance to see the gardens from a completely different perspective.

The tearoom will be open serving light lunches and afternoon teas and a well-stocked gift shop welcomes you with carefully chosen products for more Christmas shopping inspiration.

Garden owner, Ursula Cholmeley says "Last years event was such a huge success and we're excited for it to become an established 'foodie' event each year. Being enthusiastic about food and local producers, we wanted to highlight to our visitors, the rich variety produce available in Lincolnshire and surrounding counties. It promises to be another great event this year and we look forward to welcoming visitors to the gardens."

Normal garden admission applies. Free admission for Friends of Easton Walled Gardens.

**About Easton Walled Gardens:** Ursula Cholmeley has restored this ancient 12-acre garden from a wilderness into one of the UK's leading garden attractions. The gardens include meadows, roses, sweet peas, spring bulbs and shrubs, cutflower and vegetable gardens. The emphasis is firmly on horticulture although the cakes are pretty good too! Highly commended in the 'Hidden Gem' category of the Hudsons Heritage Awards, 2017. The gardens feature regularly in the national press as an excellent example of horticultural innovation, a visit to Easton Walled Gardens will exceed expectations.
